Book Bank: Give, Share, Inspire!

"A book is a gift you can open again and again."

– Garrison Keillor

We are hereby pleased to inform you that an initiative is taken to set up a **Book Bank** in our school in order to make learning a right for all. Hence we request you to motivate your ward to contribute books (both academic and storybooks) willingly.

Your generosity will help many individuals to grow and foster their skill and together we can create a culture of sharing and learning. Please bring the books on the result day.

Thank you for your support!
